

**Financial Aid Policy  
Roosevelt Orchestra Boosters**

The Roosevelt Orchestra's goal is to have all students participate in Orchestra activities. The Roosevelt Orchestra Boosters seek donations and set aside a small portion of funds raised for financial aid. Because financial aid funds are limited, the Orchestra Boosters may not be able to grant 100% to any single individual. In order to accommodate the greatest number of students, the following policies have been established.

All requests for financial aid must be made PRIOR to the planned activity, and given in writing to Anna Edwards for review with the treasurer. All requests for financial aid will be held in strict confidence.

Students who receive financial aid must participate in group and/or individual fundraising activities in order to be eligible for additional financial aid scholarships.
